

Bible Log and Bible Scholar Program Information-4th Grade

Dear Parents,

Legacy is dedicated in partnering with you to help your child grow in Christ. As part of the 4th grade Bible curriculum, a monthly bible log will be required. **Each month (except for December and May) your child will receive a Bible log that will include a chart to log their bible reading and prayer time as well as their monthly memory verse.** We want them to get in the daily habit of praying and reading the bible. A parent or co-teacher's initials will be required each day your child prays and reads the bible. (Please initial only when both actions are done daily.) Our goal is to have them develop a habit of a daily quiet time. The monthly memory verse will help them hide God's Word in their heart and grow closer to Him. Each monthly log will be turned in on the due date stated at the top of each respective log. Please keep the log in a convenient location as it will be needed on a daily basis. **Both the daily quiet time chart and monthly memory verse are REQUIRED to complete and turn in for two separate grades each month.**

Bible Scholars Program

In an effort to challenge your child to take bolder steps in their walk with Christ we have also developed a Bible Scholar Program for 4th grade. This is an **optional program** geared to help your child grow deeper in Christ and in character. Students who choose to participate will be required to complete a Bible Scholar project or application each month. The projects will be listed on each monthly bible log at the bottom and will be due the same day as the Bible log.

There will be a reward at the end of the year based on the student's level of achievements. Students who participate in the Bible Scholar program will keep a portfolio of their applications/projects throughout the year. The following chart outlines requirements for each category and the level of the award earned at the end of the school year.

*PLEASE SUPPLY A 1/2" 3-RING BINDER IN ANY COLOR OR PRINTED DESIGN IF YOUR CHILD CHOOSES TO PARTICIPATE IN THE BIBLE SCHOLAR PROGRAM
